Folded Space

Assembly Instructions

FS-ROLL

The package contains 5 sheets, two identical to the other two and one different sheet.

After assembly the trays are put in two layers in the original game box.

Ordinary PVA glue is required when assembling each tray.

Please make sure you dry-assemble each tray correctly before gluing it together.

Please check www.foldedspace.net for general assembly tips.

The insert is designed to be placed in either the main game box and one expansion box, or alternatively all together in a single Big Box variant of the game.
